NATIONAL TEACHERS' ORIENTATION PROGRAMME

ON

“Future Ready Teacher Education: Integration of NEP 2020, NCF 2023 and AI for Transforming Teaching Education”

Organized By

**IQAC,
Pragati College of Education, Siliguri
in collaboration with
Baba Saheb Ambedkar Education University, Kolkata
&
Indian Institute of Social Reform & Research**

Orientation Particulars

**20th-22nd
July, 2026**

**Pragati College of
Education**

Blended Mode

The future belongs to those who can learn, unlearn, and relearn.

ABOUT THE ORIENTATION PROGRAMME

The Three-Day National Orientation Programme aims to explore the transformative impact of NEP 2020, NCF 2023, and Artificial Intelligence on teacher education. Bringing together academicians, teacher educators, students, and education professionals, the programme provides a platform for dialogue on emerging educational reforms, innovative pedagogies, research, and AI-enabled teaching-learning practices. Through expert sessions, interactive discussions, and hands-on workshops, participants will gain practical insights and professional competencies essential for the future of education.

About the organizing Institution

*Established in 2014, **Pragati College of Education, Siliguri**, is affiliated with **Baba Saheb Ambedkar Education University** and recognised by the **National Council for Teacher Education (NCTE)**. The institution is dedicated to preparing competent, reflective, and socially responsible teachers through a learner-centered approach that blends academic excellence with professional values. Through innovative pedagogy, school internships, community engagement, and technology-enabled teaching, the college strives to nurture future-ready educators committed to quality education and lifelong learning.*

About Baba Saheb Ambedkar Education University

***Baba Saheb Ambedkar Education University** is the state university dedicated exclusively to teacher education in West Bengal. The university is committed to promoting excellence in teacher education, educational research, innovation, and academic leadership. Through its emphasis on quality, inclusivity, professional development, and contemporary educational practices, the University plays a significant role in strengthening teacher education institutions and preparing competent educators for a rapidly evolving educational landscape.*

About Indian Institute of Social Reform & Research

*The **Indian Institute of Social Reform & Research (IISRR)** is a government-registered academic and social organization committed to advancing education, research, and social development. It serves as a vibrant platform for academicians, researchers, professionals, and students to foster interdisciplinary collaboration, knowledge exchange, and innovation. Through national and international conferences, seminars, faculty development programmes, training initiatives, and its peer-reviewed **IISRR-International Journal of Research (IISRR-IJR)**, the Institute promotes quality research and evidence-based practices across diverse disciplines.*

OBJECTIVES OF THE SEMINAR

To understand the vision and implications of NEP 2020 and NCF 2023.

To explore emerging trends in Artificial Intelligence and its application in education.

To promote innovative pedagogical and assessment practices.

To enhance participants' competencies in AI-enabled teaching and learning tools.

To strengthen research, academic writing, and professional collaboration.

To encourage ethical and responsible use of Artificial Intelligence in educational settings.
